To be sure your system is running at peak efficiency; a PRIME Plan is a necessity! By having our service experts come out and maintain your heating and/or cooling unit(s) we will ensure you receive priority scheduling, a system safety check, increased reliability, maintenance to avoid breakdowns, and lower utility usage throughout the year.

MITSUBISHI or DUCTLESS SYSTEMS

\$210/yr.

1 Outdoor & 1 Indoor System

(\$85/yr. for 2nd outdoor unit)

+

\$50/yr. per Additional Indoor Unit

up to 5 indoor units

**(\$40/yr. for each additional indoor
unit after 5 indoor units)**

- ❖ One-Time Whole System Safety Inspection
- ❖ Filter Cleaning/Replacements
- ❖ Priority Customer Scheduling
- ❖ 10% Discount on Labor for any Service Repair
- ❖ \$250 Discount off System Replacement

**These prices apply to Mitsubishi and Ductless Systems Only. For Conventional Systems as in Gas Furnaces, A/C, Heat Pump, or Oil Furnaces- please call for special pricing as these prices above do not apply. Cost may increase depending on difficulty to reach unit(s) or equipment in attic space. Humidifier cost will be \$25 extra. S&L Prime A/C & Heating Systems, Inc. will be responsible for scheduling maintenance. Scheduling is determined by type of plan, when full payment is received, and/or weather. One seasonal maintenance must be performed by S&L Prime before discounts apply. Specialty Filters will be an extra cost at that time. Discounts only apply if yearly customer and S&L Prime completes at least one maintenance visit. Additional/other pricing or exclusions may apply. *To any maintenance, if necessary, there will be an additional \$35 charge per indoor unit that needs the blower wheel removed for cleaning due to excessive dirt or mold build up.*

The PRIME plan selected is an agreement between the purchaser and S&L Prime A/C & Heating Systems, Inc. for Maintenance ONLY. For any units/systems not working or working properly, they will be considered void of this agreement, will be treated as a service call, and will be priced accordingly for repairs which include, but are not limited to labor and/or parts cost.
